

Pouria Sarmasti

AI ENGINEER | MLOPS ENTHUSIAST

Tehran | 0910-0213398 | pouria98sarmasti@gmail.com

Summary

Passionate AI Engineer with 2.5+ years of hands-on experience deploying production-grade AI Agents & RAG systems, Speech and Vision APIs. Specialize in building containerized (Docker/K8s), observable AI systems for on-premise environments. Looking for a role where I can bridge the gap between cutting-edge research and reliable, monitored ML infrastructure.

Work Experience

AI Engineer | Sep 2023 – May 2026 | Remote

- Cross-Functional Collaboration: Partnered closely with Backend, Frontend, and DevOps squads to seamlessly embed AI services into existing client platforms.
- Mentorship & Onboarding: Served as technical lead for 2-3 junior AI developers, conducting rigorous code reviews on FastAPI, LangGraph, MLOps and Clean Architecture best practices. Additionally, participated in the technical interviewing process for AI engineering candidates (evaluating ML system design, coding proficiency).
- Delivered 9 production-grade AI microservices focusing on secure, on-premise deployments; All based on Best Practices.
- Delivered GenAI microservices: RAG Agents, Text-to-SQL, Text-to-Image, Speaker Diarization & Transcription, Speech-to-Speech Translation.
- Delivered ML microservices: NER-Based Word Cloud, Keyword Extraction, Face Search System, Task Classification using EEG signals.
- Fine-tuning open-source LLMs & ASR models.
- Designed & Implemented ETL Pipelines.

Technical Skills

- Software Engineering: System Design, Clean Architecture, Design Patterns, Testing Patterns
- DBs: PostgreSQL, MongoDB, Qdrant, Weaviate, Redis (Caching, Pub/Sub, Streaming)
- Dev Tools: Python, FastAPI, Celery, Apache Airflow & Perfect,
- ML Tools: Classical ML libraries, PyTorch, Hugging Face, LangGraph, OpenCV
- MLOps tools: Git, MLFlow, DVC, Docker, Nginx, CI/CD, K8s, vLLM, Langfuse
- Self-Taught Tools (no real-world experience): N8n, Neo4j, ELK, Grafana & Prometheus, RabbitMQ, Kafka, Ansible, ArgoCD, Terraform.

Education

BSc in Electrical Engineering | Sharif University of Technology | Graduated 2023
